DISPLAY TECHNOLOGY THAT RAISES THE BAR

THE BALENO GIVES YOU EVERYTHING YOU NEED IN ITS NEW-GENERATION DISPLAY.

- Track your traveling fuel-efficiency and average fuel-efficiency.
- See the Baleno's power and torque in real time.
- Monitor your current and past average speed.
- Track your driving time, distance from engine-on to engine-off, and distance to refuelling.

HEAD UP DISPLAY (GLX)

The combiner-type Head Up display helps you to reduce your eye movements and keep your focus on the road by projecting a selection of critical information like speed and instant fuel-economy.

SEE IT ALL IN STYLE

360° VIEW CAMERA (GLX)

The Baleno GLX is equipped with four cameras – at the front, rear, and on each side – linked to the Display Audio console, giving you a 360-degree view of your surroundings when starting off or parking.

3D OPENING VIEW

Check your surroundings before you leave for safety.

TOP VIEW

A bird's eye view for safer, more confident parking.

PREMIUM AUDIO TECHNOLOGY AND CONTROL

NEW GENERATION DISPLAY AUDIO

This new generation display features a 9-inch (GLX) or 7-inch (GL) HD touchscreen with Bluetooth® audio playback, smartphone connectivity, voice recognition, multi-media display, and real-time vehicle status information.

APPLE CARPLAY

Make phone calls, access your music, send and receive messages, and get directions all by voice command or a tap on the audio display.

ANDROID AUTO

Get Google Maps™, Google™ Search and other Google services at your fingertips with no distractions.

MIRRORLINK™

Allow apps on your smartphone appear on the touchscreen display to simply access your smartphone's features.

CLIMATE

The Baleno is equipped with Automatic Climate Control for constant comfort.

CRUISE

The cruise control system is tuned for effortless and efficient performance and optimum comfort on longer trips.

COMFORT

The Baleno's cabin is a clean design which affords you great space and storage, and the seating design is dedicated to driver and passenger comfort. It's so comfortable, you may never want to leave your car.

SUPREME SPACE

This coupé-inspired hatchback has a deceptively large luggage capacity, at 314ℓ*, and with a removable luggage shelf and easy-access storage compartments, gives you flexibility to pack what you need.

UNPARALLELED PERFORMANCE

The all-new Baleno is equipped with sensational high-performance technology in a fuel-efficient package, so you can feel the power without feeling the burn. If you're looking for an advanced and affordable car that gives you that feeling, the Baleno is for you.

NEW 1.5L ENGINE

Power meets fuel efficiency. This compact petrol engine produces impressive torque, with smooth performance and minimal noise for a spirited, comfortable drive.

NOISE VIBRATION HARSHNESS (NVH)

Numerous noise-suppression measures have been put in place to ensure a quiet, comfortable drive.

4-speed automatic

5-speed manual

TRANSMISSION

The Baleno is available with 4-speed automatic or 5-speed manual transmission, both optimised for an impressive balance of performance and fuel efficiency. The automatic's straight-type shift pattern gives simple and effortless operation, while the manual transmission is light, smooth, and precise thanks to the convergent locating system.

AERODYNAMICS

The coupé-styled shape of the Baleno has been engineered piece-by-piece to promote fuel-efficiency and quietness.

SUSPENSION

Highly tuned suspension ensures that the Baleno corners with stability and handles responsively for a smooth and solid drive.

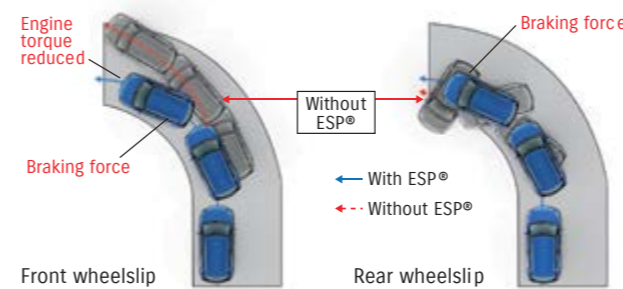

SAFETY THAT SETS THE STANDARD

The New Generation Baleno offers advanced safety features which protect that both you and pedestrians, wherever you are. This leading safety technology comes standard on all models.

AIRBAGS

The Baleno is equipped with front airbags (GL and GLX), with additional curtain airbags and side airbags on the GLX model to protect the driver and passenger in case of a collision.

ESP®*

The Electronic Stability Program detects wheel slippage through wet or slippery conditions or sudden sharp turns, and automatically adjusts torque and brakes to help the driver to maintain directional control.

*ESP is a registered trademark of Daimler AG

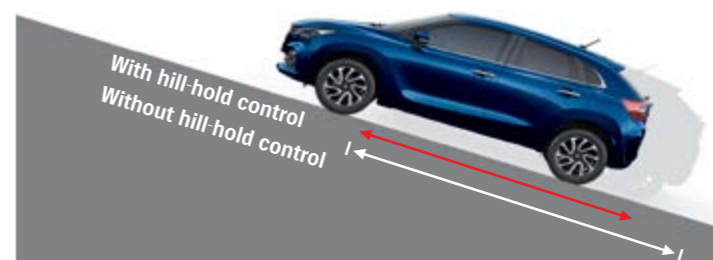

REAR PARKING SENSORS

Ultra-sonic sensors in the bumper detect obstacles and issue audio-visual warnings to the driver.

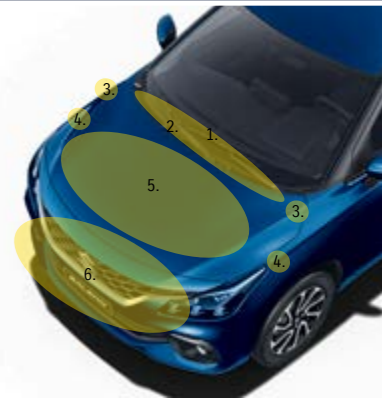

HILL HOLD CONTROL

During standing starts on slopes or hills, Hill Hold Control prevents the vehicle from rolling backward when the driver releases the brake.

PEDESTRIAN INJURY MITIGATING BODY

The Baleno's bonnet, fenders, front windscreen wiper area, and other key areas are engineered to absorb impacts, reduce leg, and head injuries to pedestrians in the event of an impact.

1. Impact absorbing wipers
2. Impact absorbing cowl top garnish
3. Impact absorbing bonnet hinges
4. Impact absorbing fenders
5. Impact absorbing bonnet
6. Impact absorbing front bumper

ABS

The anti-lock braking system prevents wheels from locking in an emergency braking situation, allowing you to continue to steer the car.

SUZUKI

COMPLETE

Suzuki understands that purchasing a new vehicle is a substantial investment. Our unwavering commitment to customer satisfaction is represented in our 'Suzuki Complete' package, which includes every aspect of after-sales support, with warranty, service plan, and roadside assistance standard.

Warranty

All Suzuki models are covered by a promotional comprehensive manufacturer's warranty against any defects for a period of 5-year/200 000km. This is supported by a six-year body corrosion warranty subject to terms and conditions. The comprehensive manufacturer's warranty is strictly reserved to new passenger cars purchased at Suzuki dealerships nationwide.

Service Plan

The Suzuki Baleno benefits from a 4-year/60 000km service plan. This plan includes the replacement of oil, the oil filter, fuel filter, brake fluid, air filter and accessory belts, but excludes tyres, brakes and other wear-and-tear items.

Service Intervals

15 000km or one year, whichever comes first.

Roadside Assistance

Every new Baleno comes with a roadside assistance plan. Some of the benefits offered by this comprehensive package include: battery and locksmith call-out services, mechanical and electrical, breakdown towing (accident towing is optional), emergency medical rescue, vehicle repatriation and a stand-by-you roadside security armed-response service.

All care is taken to ensure the accuracy of this brochure at the time of print approval.
